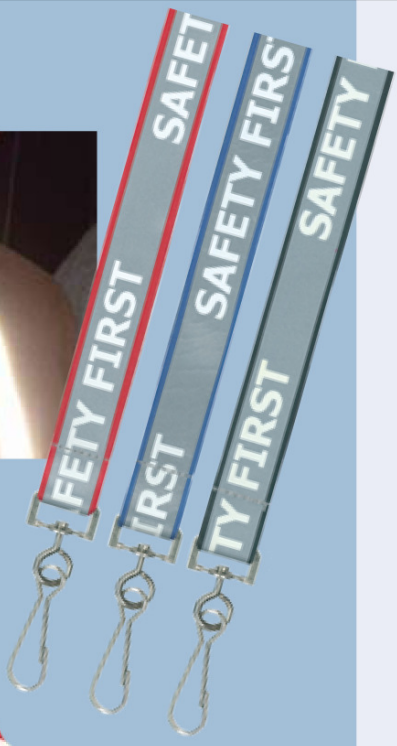
SAFETY+ ACCESSORIES

REFLECTIVE/PHOTOLUMINESCENT



SAFETY+™ ACCESSORIES

Holds IDs and other personal items with the added safety of reflective and/or photoluminescent (glow-in-the-dark) materials. These products help make sure that you will be seen after dark (when visibility is a greater concern) and are perfect for traffic safety, crossing guards, constructions workers, security guards, emergency and airport personnel.

PRE-PRINTED REFLECTIVE LANYARDS

These 5/8" wide lanyards are made with high quality reflective material on colorful UltraWeave™ polyester. Choose from standard silk screen printing or photoluminescent printing. "Safety First" reflective lanyards are available in five colors... while "Security" reflective lanyards are available only in red. These are stock products that are ready to ship. You can also order custom-printed reflective lanyards with your own message in either silk screen or photoluminescent printing. Minimum quantity required.

REFLECTIVE/PHOTOLUMINESCENT ARM BAND BADGE HOLDERS

These arm band holders feature reflective material on the main part of the holder and high-powered photoluminescent material on each side. These holders keep any ID clean, secure and visible. They are available in both vertical and horizontal formats and can be ordered with your choice of either standard or antimicrobial (repels harmful bacteria) arm bands. (See Page 7)

REFLECTIVE/PHOTOLUMINESCENT FRAMED VINYL BADGE HOLDERS

These holders are "framed" with orange reflective material and trimmed with photoluminescent ink... two great ways to increase the visibilty of your ID after dark. Combine these badge holders with our reflective lanyards and you have a great solution for your added personal safety.

CUSTOM PRINTED PHOTOLUMINESCENT FLAT OR DOMED LABELS FOR BADGE REELS

Now you can customize any of our standard badge reels with photoluminescent labels imprinted with your logo/message. These reels can be purchased with a custom label ONLY... or with an added clear dome on top of the label to protect it and add a profesional look. Minimum quantity required.
