

MAGICARD

secure ID card printers

Alto

PROFESSIONAL COLOR ID CARD PRINTER

The smallest, lightest, and best value full color professional ID card printer.

This compact, attractive design lends itself for use in company reception areas, and for hospitality applications. So small and light (only 7lb/3.2kg) it is easily portable.

Free 2 year Warranty
UltraCoverplus warranty
and loaner program
(US and EU only).

Edge-to-edge full color printing with a high quality image printed right to the edge of the card in 30 seconds.

option

Mag stripe encoding with the Alto M built-in magstripe encoder.

The HoloKote™ anti-copying watermark prints across the entire card face during the print cycle and is visible when the card is viewed at an angle.

Customize your own HoloKote™ and HoloPatch™ security features.

option

HoloPatch™ adds daylight visible security to every card.

option

when security really matters

Consumables

Dispenser for loading cards into the Alto
For optimum print quality, keep cards clean with the 50 card capacity card dispenser.

Drop in ribbon
Simple drop-in ribbon cassette comes in 100 image color or 500 image monochrome types.

MAGICARD

Alto

Specifications

Alto Color ID Card Printer (Part No. M9006-380)
